# ACCREDITATION

## Nursing Contact Hours

A maximum of 13.0 Nursing Contact Hours will be awarded. Nursing contact hours will be awarded by day.

Nurses must attend 90% of the program for each day in order to receive full CE contact hours for each day.

*Charlotte Area Health Education Center is approved as a provider of nursing continuing professional development by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.*

## NCBPTE Contact Hours

Charlotte AHEC, NC AHEC system, is an approved provider by the North Carolina Board of Physical Therapy Examiners with regard to activities directly related to physical therapy for continued competence.

## EMT/EMS Credit

NCOEMS will accept this program. Final approval of any CEU's accrued for individual continuing education credit rests with each local North Carolina EMS System or approved educational institution.

## Accreditation Statement

Atrium Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

## Credit Designation Statement

Atrium Health designates this **Live activity** for a maximum of 13.0 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

AAPA accepts certificate of participation for educational activities certified for *AMA PRA Category 1 Credits*<sup>™</sup> from organizations accredited by ACCME or a recognized state medical society. Physician Assistants may receive a maximum of 13.0 hours of Category 1 credit for completing this program.

# METROLINA TRAUMA SYMPOSIUM

## 2023

May 12-13, 2023

Harris Conference Center  
Charlotte, NC

Metrolina Trauma Advisory Committee  
and  
Charlotte AHEC  
present the

# 2023 Metrolina Trauma Symposium

MAY 12-13, 2023

HARRIS CONFERENCE  
CENTER

CHARLOTTE, NC

# COURSE OBJECTIVES

The 2023 Metrolina Trauma Symposium will appeal to multiple disciplines & provide education for participants at one time in one location, providing a great service to both individual providers as well as the seven adult & pediatric trauma centers, emergency departments, prehospital agencies, & more in our region.

## Upon completion of this program, participants should be able to:

- Identify current trauma care best practices
- Demonstrate effective management of trauma patients across multidisciplinary teams
- Demonstrate systems-based practice to improve clinical outcomes

## Educational Methods

- Lectures, podium presentations, and panel discussions with question-and-answer sessions
- Simulation sessions with hands-on experience performing procedures
- Poster presentations sharing quality initiatives and best practices

**TWO FULL DAYS OF HANDS-ON SIMULATION, PANEL DISCUSSIONS & SUBJECT MATTER EXPERT TALKS!**
